

## TouchNet uStores Annual Cost Structure

Type of Store	Cost	Eligibility
<p><b>Initial Subscription Store</b></p> <p>The first store associated with your Harvard credit card merchant account.</p>	<p><b>\$2,000 annually</b></p>	<p>Most schools already have a central TouchNet merchant account and an initial store. Please contact <a href="mailto:otm_ecommerce@harvard.edu">otm_ecommerce@harvard.edu</a> if you are unsure about your merchant account.</p>
<p><b>Secondary Subscription Store</b></p> <p>This includes unlimited transactions and offers the ability to accept eChecks in addition to credit cards.</p> <p><b>Subscription fees are charged regardless of usage.</b></p>	<p><b>\$500 annually</b></p>	<p>Your school must have an Initial Store.</p>
<p><b>Transaction-based store</b></p> <p>No annual fee. Charges based on the number of annual transactions.</p>	<p><b>\$4.95 per transaction</b></p>	<p>Your store must do less than 100 transactions annually and collect less than \$25,000 annually in revenue.</p> <p>The transaction-based store does not have the option for electronic checks.</p> <p><b>If you sign up for a transaction-based store and go over 100 transactions or \$25,000 annually, your total fees would be capped at \$500 and automatically roll over into a subscription store.</b></p>

**All stores incur a one-time implementation fee of \$200**
